The Rafles Bulletin of Zoology is an online, peer-reviewed journal which publishes high quality papers in Taxonomy, Systematics, Ecology, and Conservation Biology of animals from Southeast Asia and its adjacent areas. The Journal aims to build up quality information on the “animal diversity” of Southeast Asia in particular. Papers from outside the stated geographic range that deal with material deposited in the Zoological Reference Collection (ZRC) of the Rafles Museum of Biodiversity Research (RMBR), National University of Singapore (NUS) will also be published. Both descriptive and experimental papers will be considered. Single species descriptions and ecosystem studies will be considered. Both descriptive and experimental papers will be considered. Single species descriptions and ecosystem studies will be considered. Both descriptive and experimental papers will be considered. Single species descriptions and ecosystem studies will be considered. Both descriptive and experimental papers will be considered. # Table of Contents

## Introduction

### Submission of manuscripts.

All manuscripts will be reviewed following the guidelines provided in this section. Manuscripts will be accepted for consideration if they meet the following criteria: (1) are not being considered for publication in any other publication, (2) do not violate any copyright laws, and (3) are not previously published. Manuscripts submitted for publication should be original and not under consideration for publication elsewhere. Manuscripts should be submitted in triplicate to the Managing Editor. Authors are responsible for obtaining any necessary permissions for the use of copyrighted material. Manuscripts should be submitted in English, with all citations, legends, and captions in English. The title page should include the following information: (1) title of manuscript, (2) author(s), (3) affiliation(s), (4) and contact information. The title page should be double-spaced and should not exceed one page. The manuscript should be submitted in a single-spaced, double-spaced, or triple-spaced format. The manuscript should be submitted in a single-spaced, double-spaced, or triple-spaced format. The manuscript should be submitted in a single-spaced, double-spaced, or triple-spaced format.

### Digital images.

For initial submission, grayscale, colour photographic images or line drawings are to be submitted in JPEG format (.jpg) and embedded in Microsoft® Word documents. Authors should arrange their line drawings in such a way as to fit into an A4-size page (210 × 297 mm).

### Review.

All manuscripts will be sent to an Associate Editor who will have them reviewed by two referees. The Associate Editor decides on provisional acceptance or rejection based on comments submitted by the referees. After acceptance, the manuscript will be revised and returned to the Associate Editor for verification.

### Presentation.

All manuscripts will be reviewed following the guidelines provided in this section. Manuscripts will be accepted for publication if they meet the following criteria: (1) are not being considered for publication in any other publication, (2) do not violate any copyright laws, and (3) are not previously published. Manuscripts submitted for publication should be original and not under consideration for publication elsewhere. Manuscripts should be submitted in triplicate to the Managing Editor. Authors are responsible for obtaining any necessary permissions for the use of copyrighted material. Manuscripts should be submitted in English, with all citations, legends, and captions in English. The title page should include the following information: (1) title of manuscript, (2) author(s), (3) affiliation(s), (4) and contact information. The title page should be double-spaced and should not exceed one page. The manuscript should be submitted in a single-spaced, double-spaced, or triple-spaced format. The manuscript should be submitted in a single-spaced, double-spaced, or triple-spaced format. The manuscript should be submitted in a single-spaced, double-spaced, or triple-spaced format.

### Copyright and exchanges.

All manuscripts will be reviewed following the guidelines provided in this section.
